PROFESSIONAL SUMMARY

PHP/Laravel developer with web development OJT and freelance experience building full stack systems. Projects include an offline ID card application, a café operations platform, pre-registration, and QR-based visitor tracking. Experienced in database design, authentication, dashboards, integrations, and deployment.

TECHNICAL SKILLS

PHP, Laravel, JavaScript, HTML, CSS, Laravel Blade, Bootstrap, Tailwind CSS, MySQL, SQLite, Eloquent ORM, REST APIs, Git, GitHub, Google OAuth, Pest

AI/LLM-assisted development: ChatGPT, Claude, and GLM for coding and debugging.

EXPERIENCE

Freelance Web Developer | Self-employed | Jan 2025-Present

- Build custom PHP and Laravel web applications and management systems, covering database planning, application features, testing, and deployment.

Web Developer Intern (OJT) | Trikee Inc. | Feb-May 2026

- Supported development of a web application for the Local Government Unit of Kalibo, Aklan.
- Designed and implemented responsive interfaces using Laravel Blade, JavaScript, HTML, CSS, and Bootstrap.

SELECTED PROJECTS

Smart ID Maker | Laravel 13, SQLite, Alpine.js, Electron

- Built an offline ID card system with multi-institution student records, Excel and photo imports, a drag-and-drop template designer, QR codes, and batch PDF/PVC printing.

Cafe Hugo Operations System | cafehugo.online | Laravel 13, MySQL

- Contributed to a three-portal café platform covering online orders, staff POS, reservations, inventory, GCash payment proof, and SMS updates; includes Pest feature tests.

UALC Pre-Registration System | Academic project | ualc-prereg.site

- Built a Laravel 12 and MySQL pre-registration system with role-based access, Google OAuth, email OTP verification, secure file uploads, dashboards, and PWA support.

Tourist Track System | touristtrack.site

- Developed QR-code visitor check-in with live dashboard statistics and PDF/CSV reporting; integrated Google OAuth, email OTP verification, and reCAPTCHA.

EDUCATION

Bachelor of Science in Information Technology | University of Antique, Libertad Campus | 2022-2026
